John, Please see attached draft for review. I've received no comments from anyone else, so Sonam suggested I start routing it up our chain.

Let me know if you want to discuss. I had a call with Heal the Bay today that we should also discuss one of these days.

John

PV Shelf/Drum Disposal team,

Here's a draft response for your review. After incorporating any comments, I will share with John Lyons and Enrique. At some point I will also share the basic language with NOAA and DOI. NOAA received a similar letter and I've already commented on their draft language to ensure consistency in our federal responses.

Thanks,

John

Hi John and Angeles,

Today's letter from Senator Feinstein regarding the status of DDT cleanup in the PV Shelf has been controlled to the Region for RA signature. The due date is **Monday, March 22, 2021**. Please let me know who in SEMD will lead drafting the response so I can fill out and share the routing slip.

Thank you,
